**Regarding the approval of adjustments to the Investment Project
for Completion of 03 vessels of 3,000 DWT and 01 vessel of 2,000 DWT**

To: The Board of Directors
of Vinacomin Waterway Transport Joint Stock Company

Pursuant to the Charter of organization and operation of Vinacomin Waterway Transport Joint Stock Company;

The Investment Project for Completion of 03 vessels of 3,000 DWT and 01 vessel of 2,000 DWT was approved by the 2025 Annual General Meeting of Shareholders under Resolution No. 01/NQ-DHDCD dated April 16, 2025 and was subsequently approved by the Board of Directors under Investment Decision No. 205/QD-VWTC dated April 18, 2025;

Due to fluctuations in the global and domestic economic conditions, and the increase in costs of materials, equipment, and shipbuilding labor, the actual investment cost has exceeded the originally approved total investment amount.

The Company Director hereby submits to the Board of Directors for consideration and for submission to the General Meeting of Shareholders for approval of the adjustments to the Investment Project for Completion of 03 vessels of 3,000 DWT and 01 vessel of 2,000 DWT with the following contents:

1. Adjustment to the project investment scale:

- To invest in 03 vessels of 3,000 DWT, unrestricted class – operating in Vietnamese waters.
- Not to proceed with the completion of the hull of Hoang Anh 18 vessel due to insufficient legal documentation of the hull for appraisal and approval of modification and completion by the Registry authority; proposed handling plan: liquidation, transfer/sale, or disposal as scrap.

2. Adjustment to the total investment capital:

Total (adjusted) investment capital	VND 229,390,504,409
Of which:	
Cost for completion of Song Ninh 01 vessel (VINACOMIN 030-01)	VND 74,018,286,008

REPORT

On the operations of the Company's Board of Directors in 2025 and orientations and tasks in 2026

To: The Annual General Meeting of Shareholders 2026

Pursuant to the Charter on organization and operation of Vinacomin Waterway Transport Joint Stock Company (as amended) approved by the General Meeting of Shareholders on April 21, 2023;

The Board of Directors hereby reports to the General Meeting of Shareholders on the operations of the Board of Directors in 2025 and sets out the orientations and tasks in 2026 as follows:

1. Operations of the Board of Directors and implementation of resolutions and decisions of the General Meeting of Shareholders in 2025

From the beginning of 2025, the Board of Directors assigned responsibilities to its members and focused on directing and organizing effective implementation across management and production operations, thereby ensuring synchronized stability in production and business activities in line with actual conditions, while promoting improvements in transportation quality and cost control in production.

Despite facing numerous difficulties in 2025 as follows:

- The TKV fleet was not aligned with the demand of coal customers and did not meet the requirements of certain coal-receiving ports; Freight rates for non-coal cargo were low and ineffective; cargo sources were difficult to transport.

- Excessive rainfall during the second and third quarters caused thermal power plants and cement plants in the Nghi Son area to reduce their coal purchases from TKV by up to 40%, significantly affecting the transportation operations of the Company's 3,000 DWT fleet.

The Board of Directors maintained regular meetings in compliance with Statutory requirements regarding agenda, attendance, and voting. It also effectively carried out the Board of Directors' supervisory role over the Executive Director and other managers. In 2025, the Board of Directors held a total of 21 meetings, issued 21 Resolutions and several other documents to approve key matters as follows:

- Approval of the production and business results in 2024.
- Approval of the production and business plan in 2025.
- Approval of the audited financial statements in 2024.
- Approval of the auditing firm for the financial statements in 2025.
- Approval of loan plans with banks.

- Approval of remuneration payments for the Board of Directors and the Supervisory Board in 2024 and the remuneration plan in 2025.
- Approval of the major repair plan for the Company's seagoing vessels.
- Approval of procedures for increasing the Company's charter capital.
- Approval of loan contracts.
- Approval of Investment projects for construction of 02 barge convoys and a 30,000 ton seagoing vessel.
- Approval of the appointment of Deputy Directors for Mr. Do Trong Tuan and Ms. Do Thi Thu Huyen.
- Approval of the Information disclosure regulation.
- Approval of coal sale and purchase contracts and materials and goods sale and purchase contracts in 2026.

The Board of Directors consists of 5 members. The members of the Board of Directors and the Company's management have strictly implemented the resolutions and decisions of the Board of Directors, complied with applicable laws and the Company's Charter in performing their duties and responsibilities. All members of the Board of Directors have successfully fulfilled their assigned tasks.

2. Production and business results in 2025:

* Results of implementation of key production and business indicators in 2025

No	Indicators	Unit	Plan 2025 (adjusted)	Actual implementation 2025	Comparison with plan (%)
I	Total output	Ton	2.990.845	3.267.301	109,24
II	Total revenue	Million dong	1.328.372	1.376.204	103,60
III	Production value	Million dong	231.099	223.969	96,91
IV	Profit before tax	Million dong	12.307	14.818	120,40
V	Average number of employees	Persons	154	157	101,94
VI	Average salary	Thousand dong/person/month	19.469	20.116	103,32

In 2025, the Board of Directors sought various solutions to improve production and business efficiency, reduce costs, materials, and fuel consumption, and strengthen market activities. As a result, in 2025, the Company successfully fulfilled its production and business plan, achieving a profit before tax of **14.818** million dong.

The Board of Directors conducted review meetings to evaluate the performance of its members and concluded that: the members of the Board of Directors made significant efforts, demonstrated a strong sense of responsibility, and fulfilled their assigned duties. They exercised their rights and obligations honestly and prudently to ensure the maximum legitimate interests of shareholders, while maintaining absolute loyalty, not misusing information, trade secrets, or business opportunities of the Company, nor abusing their positions, authority, or the Company's assets for personal gain or for the benefit of other organizations or individuals.

4. Orientations and tasks of the Board of Directors in 2026:

* Key targets in the production and business plan in 2026:

No	Indicators	Unit	Production and business in 2026	Notes
I	Total output	Tons	4.642.000	
II	Total revenue	Million dong	1.663.000	
III	Production value	Million dong	342.095	
IV	Profit before tax	Million dong	8.500	
V	Average number of employees	Person	186	
VI	Average salary	Thousand dong/person/month	21.027	

Based on the production and business plan in 2026 submitted to the Annual General Meeting of Shareholders, the Company's Board of Directors has discussed and agreed upon the orientations and tasks in 2026 of the Board of Directors as follows:

- Continue reviewing, amending, and supplementing management regulations to align with actual conditions and comply with legal requirements.
- Direction and management of production operations:
 - + Direct the implementation of the production and business plan approved by the General Meeting of Shareholders.
 - + Direct and manage the efficient operation of the Company's seagoing fleet to minimize waiting time at ports and optimize cargo transportation for the Company's vehicles, especially return cargo.
 - + Direct the implementation of consumption norms for fuel, materials, and repair costs to reduce expenses and lower production costs.
 - + On a quarterly basis, the Board of Directors shall hold meetings to review and assess the implementation of resolutions, and to provide timely directives as a basis for the Executive Director's implementation.

The above constitutes the full report on the operations of the Board of Directors in 2025 and the orientations and tasks for production and business activities in 2026. The Board of Directors respectfully submits this report to the Annual General Meeting of Shareholders 2026./.

Pursuant to the Company's financial statements in 2025 audited by Vietnam BDO Audit Services Company Limited;

In performing the Supervisory Board's functions and duties in accordance with the Law on Enterprises and the Company's Charter, the Supervisory Board hereby reports and submits to the General Meeting of Shareholders the results of its supervision in 2025 as follows:

Part 1

THE OPERATIONS OF THE SUPERVISORY BOARD.

1. Personnel of the Supervisory Board.

On April 10, 2024, the Company's Annual General Meeting of Shareholders elected Ms. Bui Thi Linh as Head of the Supervisory Board. The Supervisory Board consists of 3 members, including: Ms. Bui Thi Linh - Head (concurrent); Ms. Le Thi Thanh Thuy - Member (concurrent); Mr. Tran The Nam - Member (concurrent).

2. Working principles of the Supervisory Board.

Pursuant to the Company's Charter and the Operating Regulations of the Supervisory Board, the Supervisory Board convened meetings and agreed on

specific assignment of duties to each member in accordance with the Minutes on assignment of duties of the Supervisory Board.

On a quarterly and annual basis, the Supervisory Board conducts supervision over the Company's operational areas in accordance with the assigned contents.

The members of the Supervisory Board are responsible for the areas assigned to them. They proactively supervise their assigned areas or coordinate with other members of the Supervisory Board and the control system of the parent company (Viet Thuan Company Limited) to perform their duties.

Members of the Supervisory Board work proactively within their assigned areas while maintaining regular communication through direct meetings or via telephone, Zalo, and email.

During the inspection and supervision process, members of the Supervisory Board do not interfere with the Company's normal production and business operations.

They proactively make recommendations to the Board of Directors and the Board of Management regarding any violations detected during the performance of their duties and are responsible for the data and documents reported.

The Supervisory Board holds meetings once every quarter (*except for extraordinary cases*) to review and draw lessons from the implementation of its duties.

3. Functions, duties, and powers of the Company's Supervisory Board:

In 2025, the Supervisory Board exercised its rights and performed its duties in accordance with the Law on Enterprises, the Company's Charter, and the Operating Regulations of the Supervisory Board.

Specifically:

- Supervise the management and administration activities of the Board of Directors through the implementation of State management documents, the Company's Charter, and resolutions of the General Meeting of Shareholders.

- Supervise the activities of the Executive Management Board and other managers within the Company through the implementation of the production and business plan approved by the General Meeting of Shareholders, as well as the implementation of Resolutions and Decisions of the Board of Directors and other State management documents.

- Monitor the development, issuance, and implementation of internal management documents to ensure compliance with legal regulations and the

Company's Charter; supervise compliance with laws and information disclosure of the Company in accordance with regulations.

- Appraise the Financial Statements and reports on management and administration of the Company's Board of Directors and the Board of Management, and submit them to the General Meeting of Shareholders and competent State authorities.

- Supervise the Board of Management in implementing recommendations from inspection, examination, auditing authorities, and the internal control system of the parent company, Viet Thuan Company.

- Propose the selection of an independent auditing firm; review the management letter of the independent auditor and the responses of the Company's Board of Management.

- Fully participate in meetings of the Board of Directors, the Board of Management, and other meetings of the Company (*when invited*) with a spirit of responsibility, constructiveness, and cooperation.

- Maintain regular communication among members of the Supervisory Board, between the Supervisory Board and the Board of Directors, the Board of Management, and shareholders of the Company.

- Ensure that, during the performance of duties, no interference is made with the normal operations of the Board of Directors and the Board of Management of the Company.

Part 2

RESULTS OF SUPERVISION BY THE SUPERVISORY BOARD

1. Regarding the management and administration activities of the Company's Board of Directors.

In 2025, the Company's Board of Directors performed its functions and duties in accordance with the Law on Enterprises, the Company's Charter, and the Operating Regulations of the Board of Directors.

It exercised its management function through the issuance of Resolutions, Decisions, Regulations, and internal rules, and supervised their implementation.

It directed the Executive Management Board and other management departments within the Company to strictly comply with State management regulations.

In 2025, the Board of Directors organized 21 regular and extraordinary meetings (held either in person or online), issued 21 Resolutions, and numerous decisions and management documents related to various aspects of the Company's production and business management and administration.

The amendment, supplementation, and issuance of new management documents contributed to making the Company's management and administration more flexible and efficient. The management documents of the Board of Directors were issued within proper authority and in alignment with the Company's actual production and business conditions.

The Board of Directors directed the Board of Management and relevant departments to develop plans on Production and business, Investment, Finance, Personnel organization, and internal management, etc., within its authority, and supervised their implementation.

2. Regarding the implementation by the Company's Board of Management:

In 2025, the Company's Board of Management directly administered production and business activities in accordance with its functions and duties as prescribed by the Law on Enterprises and the Company's Charter.

It organized the implementation of Directives, Resolutions, and Decisions of the Board of Directors and the production and business plan approved by the General Meeting of Shareholders.

It proactively proposed solutions to the Board of Directors to improve operational efficiency and corporate management. It also actively developed and issued internal management documents within its authority and managed production and business activities in compliance with the Law on Enterprises, the Company's Charter, and decisions of the Board of Directors.

The management of salaries, bonuses, etc., was implemented in accordance with the Company's regulations and applicable laws.

It performed other rights and duties in accordance with the Law on Enterprises, the Company's Charter, and other management documents of the General Meeting of Shareholders.

The Supervisory Board unanimously assesses that:

In 2025, the Company's production and business activities were affected by the overall economic conditions. The absence of coal processing and trading activities led to a decline in profits from coal-related business compared to previous years.

The Company continued to implement and supervise investment projects for the construction of 06 barge convoys of 5,600 DWT, 03 seagoing vessels of 3,000 DWT, and 01 seagoing vessel of 30,000 DWT.

To address these challenges, the Board of Directors and the Board of Management implemented various solutions and actively directed the Company to carry out its production and business plan and the resolutions of the General Meeting of Shareholders. The key economic and technical indicators achieved are as follows:

- *Transport and vessel charter output: 2.750.212,97 tons; reaching 110,41% of the annual plan and 77,60% compared to the same period.*

- *Coal trading volume: 517.093.04 tons; reaching 103,42% of the annual plan and 123,63% compared to the same period.*

- *Revenue: 1.369.369 million dong, including: revenue from sale of goods: 927.735 million dong; revenue from service provision: 428.116 million dong; other revenue: 13.518 million dong; reaching 103,09% of the annual plan and 86,21% compared to the same period.*

- *Profit before tax: 14.818 million dong; reaching 120,40% of the annual plan and 95,56% compared to the same period.*

- *Profit after tax: 11,393 million dong.*

The Supervisory Board recommends that:

In 2025, the global situation experienced many unfavorable fluctuations affecting the Company's production and business activities, such as global inflation and unpredictable fluctuations in oil prices, etc. Therefore, the Supervisory Board recommends that the Board of Directors and the Board of Management closely monitor market developments in order to adopt timely and appropriate response measures.

The Company should optimize the utilization of its seagoing fleet to minimize waiting time at ports and effectively exploit cargo sources for its transport vehicles, especially two-way cargo flows.

The Board of Directors and the Board of Management should regularly organize reviews and assessments of the implementation of resolutions, and adopt timely directive measures as a basis for execution by the Executive Director.

Part 3

APPRAISAL OF THE COMPANY'S FINANCIAL STATEMENTS IN

2025

- The Supervisory Board of the Company unanimously confirms the data, documents, and contents reported by the Board of Directors and the Board of Management. The Company's Financial Statements in 2025 have been audited by Vietnam BDO Audit Services Company Limited.

- The Supervisory Board considers that the audit methodology and auditing standards applied by Vietnam BDO Audit Services Company Limited, as well as the accounting standards and financial regime applied by the Company in the Financial Statements in 2025, have complied with applicable principles and regulations;

- The audited Financial Statements fairly, truthfully, and reasonably reflect the Company's financial position as at December 31, 2025, as well as its business performance and cash flows for the financial year ended on the same date;

- The accounting work ensures that there are no material misstatements; the preparation and submission of financial statements comply with prescribed forms and regulations. The accounting system is centrally organized, consistent with the Company's production model and management structure;

- Accounting books and documents are maintained in accordance with Circular No. 200/2014/BTC. Economic transactions arising are recorded and accounted for in compliance with current Vietnamese accounting standards and regulations;

- Financial management regulations are properly implemented; revenues and expenses are fully recorded in accordance with applicable regimes;

- Asset inventory, cash on hand, goods, materials, finished products in stock, receivables and payables, etc., are conducted in accordance with State regulations. In 2025, there were no bad debts leading to insolvency;

- Financial resources are proactively balanced to serve production and business activities, and obligations to the State budget are properly fulfilled;

- Periodic reporting is conducted in compliance with regulations.

In summary: The Supervisory Board agrees with the figures and assessments provided by the auditors in the Audit Report, as well as the Income Statement and the Financial Statements of the Company presented by the Director to the General Meeting. The Supervisory Board unanimously evaluates that the quality of the financial statements and the production and business results in 2025, as reported and audited by BDO, are objective and truthful.

The Supervisory Board respectfully submits to the General Meeting of Shareholders for consideration and approval.

Dear General Meeting:

In 2025, members of the Supervisory Board performed their assigned rights and obligations honestly and prudently, ensuring the maximum lawful interests of the Company and its shareholders.

They remained loyal to the interests of the Company and its shareholders, did not misuse information, trade secrets, or business opportunities of the Company, and did not abuse their positions, titles, or authority to use the

Company's assets, materials, or funds for personal gain or for the benefit of other organizations or individuals. The members of the Supervisory Board upheld a high sense of responsibility in performing their duties.

In 2025, the Supervisory Board did not receive any petitions, complaints, or denunciations from shareholders or employees regarding the management and administration activities of the Board of Directors, the Board of Management, or other managers within the Company.

For the Supervisory Board to better fulfill its duties, in addition to the efforts of each member, it has also received support, assistance, and encouragement from the Company's leadership, as well as cooperation from shareholders and the Company's departments.

The Supervisory Board sincerely appreciates the trust of shareholders, the coordination of the Board of Directors, the Board of Management, and all departments within the Company, and hopes to continue receiving such support and cooperation in 2025 to further improve its performance.

Respectfully submitted!
